In the case of candidates who have not been at a University, other satisfactory proof of age, *e.g.*, baptismal certificate, horoscope, etc., will have to be sent together with a certified copy thereof. The originals will be returned to candidates.

A candidate for whom a declaration under Section 96A of the Government of India Act is necessary must take early steps in order that the declaration may be in the hands of the Public Service Commission before they issue the certificate prescribed in Regulation 39.

The following intimation is made for the guidance of the Medical Examiner :—

No person will be deemed qualified for admission to the Public Service who shall not satisfy the Public Service Commission that he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for that Service.

The Commission desire that it should be understood that the question of fitness involves the future as well as the present, and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension or payments in case of premature death. It is at the same time to be noted that the question is one of the *likelihood* of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service.

Dear Major Loch,

I am desired to invite reference to the correspondence ending with ~~xxxx~~ my official letter No.504 dated the 8th inst., regarding the issue of a Declaration of Eligibility under Section 96-A of the Government of India Act in favour of Mr. K.Matthan who has applied for recruitment for the Superior Revenue Establishment of State Railways. It is understood that this candidate has been provisionally selected and has shortly to appear before the Public Service Commission for an interview. ~~Thus~~ There seems to be some urgency for the issue of the Declaration Certificate in his case as it should be in the hands of the Public Service Commission before the certificate entitling the candidate for an interview can be issued by the Public Service Commission under Rule 39 of the Regulation, for the recruitment to the said service. I am therefore to request the favour of your kindly obtaining the declaration Certificate in his case as early as possible.

Yours sincerely,
